

## Something to Talk About

Year 1 September 14th 2018

Who would you like to be in a castle?

This week we have;

- Learnt to count to 10 and 20 and sort objects into different groups;
- Started to read 'The Tiger Who Came to Tea' and role play the story;
- Been investigating different materials in science (wood, metal and plastic);
- Been finding out about the past in history and about different types of castles.

### At home: Weekly Spellings

Please help your child to learn the weekly spelling words - we will test them in our spelling quiz every Friday.

**Please see this week's spelling list attached.**

**Maths:** Please help your child to count fluently to 10 and 20 and to make groups of 10's from different items.

PLEASE READ WITH YOUR CHILD as often as possible.☺ Ask them questions about what they are reading to improve their understanding.

Next week we will:

- Learn how to find one more and one less;
- Learn about real tigers in the wild and write about them.

Notes: Your child will need a white pillow case to make a knight's tabard. (The supermarkets sell them in pairs so sharing a packet with a friend may be a good idea.) **Please send this in by 27<sup>th</sup> September, with your child's name clearly marked inside the pillowcase.**

Many thanks for your support, from Mrs Downes, Mrs Sloan and the Year 1 Team.
