

Week 1-2

Topic launch

Odyssey Planetarium

Quest Story

Week 2-3

Andy Warhol Art

Planet Orrery

Week 4—5

Write our own Sci fi
quest story

What is an empire?

Week 6

Learn information text

Movement of planets

A large, dark, spherical Death Star is positioned on the left side of the frame, partially obscuring the view of a planet. The planet's surface is visible on the right, showing blue oceans, green landmasses, and white clouds. The background is the blackness of space with some distant stars.

Week 7—8

Information Text on
Planets

Light Sabre design

A large, dark, spherical Death Star is positioned on the left side of the frame, partially obscuring the view of a planet. The planet's surface is visible on the right, showing blue oceans, green landmasses, and white clouds. The background is the blackness of space with some distant stars.

Week 9-10

Learn Character flaw
story

Redraft light sabre

A large, dark, spherical object with a prominent circular opening, resembling the Death Star, is shown in orbit over a planet with a blue and green surface. The object is highly detailed with various textures and markings.
