27th January 2026

Dear Parents and Carers,

We are excited to let you know that on **Wednesday 4th February**, Year 2 will be taking part in a **TT Rockstars Day**.

The purpose of the day is to launch **Times Tables Rock Stars** in a fun and exciting way, helping children build confidence and improve their multiplication and division recall.

Research shows that short, regular practice can significantly improve speed and accuracy, and this day is all about making maths engaging and enjoyable.

Throughout the day, children will take part in a range of high-energy activities, including friendly class competitions, whole-school challenges, and opportunities to take on teachers in maths "rock star" battles. There will also be recognition for effort and improvement through certificates, badges, or awards.

To add to the excitement, we would like children to come to school in non-uniform dressed as **Rock stars**, with crazy hair and fun accessories such as glasses or inflatable microphones.

We're looking forward to a positive, lively day that celebrates learning and encourages a love of maths.

Thank you for your continued support.

Kind regards,

The Year 2 Team
