Dear families,

## Welcome Back!

We are so pleased to welcome so many of you to Carclaze for the first time this week, and to welcome back all those of you who are already part of our school family.

Our team has been working hard over the summer to make this a fantastic start to what promises to be an exceptional school year. Working with our trust colleagues, we've polished our curriculum, engaged in fantastic training and it has been joyful to see the classrooms come to life these past two days.

So, whether you're at the start of your journey with us or somewhere along the way, I know your children will settle quickly into school life and enjoy everything we have in store for them this year.

I wanted to take this early opportunity to remind you to follow us on Facebook and login to Class Dojo for regular updates and insights into school life at Carclaze.

We're working on new ways to deliver those updates straight to you. I'll be in touch about that soon. In the meantime, keep an eye on the Parent newsletters **our website**. You'll find newsletters, latest news, our school calendar and more there.

Thank you for supporting such a positive start to the school year. Strong, open communication with families is a key priority for us this year. I am looking forward to getting to know our new families, reconnecting with familiar faces, and working together throughout the year.

With warmest wishes,

Emma Williams
