Headteacher: Emma Williams

Thursday 18th June 2026

Dear Parents and Carers

After a successful Year 4 camp this year, we wanted to share some initial plans and details with you about next year's exciting residential.

This residential has been thoroughly enjoyed by children from Carclaze School for over 5 years. A residential gives children the opportunity to develop independence, confidence and resilience in a new environment. Through outdoor adventurous activities, they learn to work as a team, solve problems and challenge themselves in a safe and supportive setting. These experiences help to build friendships, create lasting memories and support their personal and social development.

This year's Year 4 camp will take place on **Wednesday 23rd June to Friday 25th June 2027**.

Although the exact cost won't be fully confirmed until September, we expect an estimated cost to be **£250**. This amount will be setup on ParentPay as a decreasing balance with regular required payment instalments. If your child is in receipt of Pupil premium you will receive a separate email with regards to your payments.

To secure your child's place, a £40 deposit is due by the end of this academic year (Friday 24th July). After this date, 7 monthly instalments of £30 will be required on the 1st of September, October, November, January, February, March and April.

If your child decides not to attend, the £40 deposit is non-refundable. All other payment will be refunded up until 1st April. Beyond this date no refunds will be given except for extraordinary circumstances due to payments being required by BF Adventure.

To share this information and answer any questions there will be an initial camp meeting for all parents on **Monday 29th June 2026 at 3.00 till 3.15 pm**.

I hope you will be able to help make this residential a success and if you have any additional questions, please contact Mr Powell on tpowell@car.celtrust.org.

Many Thanks

Mr Powell
