Dear Parents/Carers

It's been another busy week with the Year 5 campers visit to BF Adventure completing the 4 residentials this year. We have had a residential for every Key Stage 2 year group this year because bookings were carried over from before covid interruptions. In the next couple of weeks we will send out a questionnaire to ask for your thoughts on the number of residentials and the year groups they take place in as we prepare for 2022/23 academic year

Tomorrow will be our first Summer Fayre since 2019! The Friends have worked tirelessly to pull out all the stops and make this an entertaining and fun afternoon. The weather is looking mixed after another hot week but there will be plenty to do inside and out. It wouldn't be a British summer without some rain! We look forward to seeing you between 1 - 3 p.m. tomorrow (Saturday 25th June).

With four weeks left of the school year we are constantly thinking about transition to new classes and making sure children are prepared for September. Whilst there is still lots of learning and assessments to fit in we want to make sure there is time for everyone to discuss their feelings. We have been holding off on sharing which teacher each class will have as we work with our partner CELT schools to make sure each school has the right staff. We plan to send home information on new classes and teachers next Wednesday.

Best wishes

Simon

Friends of Carclaze

We are now busy organising our Summer Fayre which will be held on Saturday 25th June. We are currently putting together the final stall list and are looking for donations of good quality **teddy bears (for a Teddy Tombola)**, raffle prizes (any unwanted gifts or if any parents own businesses and could possibly donate a voucher or product that would be amazing!), cakes for the cake stall (nearer the time), toys for the toy stall etc.

Our 3 non-school uniform days are as follows:

Friday 24th June - Bottles for the bottle tombola (any bottles of sauce, bubble bath, body wash etc

Raffle Prizes so far include: £50 Cash, Hot Chocolates at Moustache Jacks, Afternoon Tea at Charlies, Cinema Gift Voucher, Lappa Valley Voucher, Fresh Hair Gift Voucher, Newquay Zoo Voucher, Hall for Cornwall Voucher and many, many more great prizes.

Notices for Parents

- * During the summer months - please ensure you apply sunscreen to your children before they come to school. If they suffer with allergies - please give antihistamines before the school day starts (the office cannot currently keep on top of the demand for administering medication). Sun hats and plenty of water are essential at this time of year. Children can refill their drinks bottles as often as they need to.
- * Road Safety - we are getting more and more reports of children playing on the roads around Carclaze when walking home and climbing on walls around the school. Please ask your children to be careful and to consider the safety of not only themselves but those around them.
- * Absence Reporting - please let the School Office know either by text, phone or email on the morning of the first absence: secretary@carclazesch.org . Please do not email individual members of staff as they may not be in or may be on training and the message needs to get through to the office for registers before midday.
- * Clarks Shoe Shop St Austell - this is to remind you that Clarks Shoe Shop St Austell will be able to assist you this Summer with your purchasing of new school shoes. Clarks staff will know what sort of shoes are acceptable for school wear and can guide you with your purchases.

How important are appearances?

In the news this week

A new study, from the University of Montpellier in France, has found that less attractive species of fish are more likely to be threatened with extinction than their more attractive counterparts as they lack public support. People are more committed to saving more colourful fish such as Nemo (Disney's colourful orange and white striped clownfish), than ensuring the survival of other, duller species. Speaking about the study, senior research scientist, Dr Nicolas Mouquet, said, "We found that less beautiful fishes are those recognised as threatened".

Things to talk about at home ...

- > Share your meaning of the word 'beautiful' and ask others at home to share theirs. Are they the same?
- > Can you think of times when appearances do matter and times when they don't? E.g., wearing smart clothes for a special event.
- > Do you agree with the phrase, 'never judge a book by its cover'?
