Head Teacher: Mr Simon Pollard

Dear Parents/Carers

We are halfway through this half term already! Time seems to fly by, and the children are settled back in school.

I have been asked by several parents what can be done at home to support children. The three key things are
talk about the children's day
read to your children every day (whatever year group they are in)
practice multiplication tables.

Years 1-4 had a virtual author visit from Rachel Bright this week. It was fantastic and everyone really enjoyed it. There is still time to order signed books through ParentPay.

Each day I am getting spoken to about the car park. The main things that will help are:

- ◆ reverse into spaces,
- ◆ park considerately, without blocking
- ◆ maintain social distancing
- ◆ don't arrive too early

Thank you for your understanding with this.

Coming up: 14th - 18th June is Healthy Eating week. Look out for more information coming soon

Don't forget you can still contact teachers via eSchools.

What's going on this week?

10th-16th May

What role does sport play in our lives?

Within days of the announcement of a new football Super League competition - open to only the biggest clubs, most of the teams had withdrawn, deciding they no longer wanted to take part. Fans, football authorities and government ministers in the UK, and across Europe, expressed anger at what they said would be an unfair competition that would keep many teams out of top European football.

Things to talk about at home...

- 🍎 Do you like to play any sports in your spare time?
- 🍎 Do you enjoy watching any sports? If so, which ones?
- 🍎 Do you think having fun is an important part of sport – either taking part or watching?
