Head Teacher: Mr Simon Pollard

Dear Parents/Carers

We are now in July and entering a very busy final three weeks of term. We will be packing in lots of learning with novels to finish, experiments to be done, calculations to be completed and links to different times to be explored in history.

After the popularity of the first there will be a second Friends "Break the Rules" day. We are also hoping that the Friends funded trip to the cinema, postponed from Christmas, can go ahead in the last week of term.

Thinking ahead to the Summer holidays, the library will be running it's usual Summer Reading Challenge this year (more information elsewhere in this newsletter). Please sign up. It would be fantastic if Carclaze had the most children taking part.

Until then please continue to be vigilant around social distancing and Covid symptoms. Schools and settings around us continue to have to close bubbles and whilst we have so far avoided this we cannot be complacent if we want to make it to the end of term without sending home any bubbles.

Best wishes

Simon Pollard

Summer term attendance expectations for schools:

School attendance continues to be mandatory for all pupils and the usual rules on school attendance apply.

This includes parents' duty to ensure their child regularly attends school, and schools' and local authorities' ability to issue sanctions, including fixed penalty notices, for poor attendance.

As restrictions begin to lift, we know some families may be looking to take holidays during term time. As usual, parents should plan their holidays around school breaks and avoid seeking permission to take their children out of school on holiday.

If your child is going to absent please use the secretary@carclazesch.org email address and not the head teacher's email. Thank you.

Year 2 - Planned Walk

Year 2 are planning a little walk up to the old infant school next Wednesdays. This will be during the School Day.

Kind Regards

Mrs Stanier Smith and Mr Powell

PE Days - Summer Term

Friends of Carclaze

WELCOME

Welcome to the Friends of Carclaze page. We are a group of parents and staff who do all we can to fundraise for the School. In the past we have bought a new stage, outside play equipment, funded a cinema trip for the whole school and much much more.

If you would like to know more about what we do and how you can help, please see Alisa Shopland in the office or email friendsofcarclazeschool@outlook.com for more information. We are always looking for new parents with new ideas to help us.

Due to the current pandemic, the Friends have been unable to do the normal big fundraising events such as the Christmas and Summer fayres, which the children all enjoy. They are instead doing lots of little events such as the two shown below. Please do your best to support these smaller events to help the School in these unprecedented times. Thank you.

Upcoming events/dates:

Break the Rules Day - Friday 9th July - details to follow

Date of Next Meeting - Tuesday 13th July 7.30pm in the Hall/Community Garden - bring your own drinks/nibbles

Break the Rules Day

At the end of term in July (9th) we will be doing another Break the Rules day. The cost will be 50p per rule broken with a maximum of 6 rules to break.

Look out for more details, plus a list of the rules to be broken in newsletters nearer the time.

Thank you!

Huge thanks to all of you who have sent back smartie tubes with coins inside. We raised an amazing £303.06 profit. Once again thank you for all your support.

NEEDED - ACCOUNTANT

The Friends are looking at ways they can save money and as there is no legal requirement to have the accounts and records formally independently examined, the committee are looking for an independent person to examine the records on their behalf. We are looking for a volunteer with suitable finance skills to carry out this brief examination. Please let the office know if you would be interested in helping with this.

5th July 2021

What's going on this week?

UNESCO (the United Nations cultural body) has said that the Great Barrier Reef in Australia should be put on a list of World Heritage Sites that are 'in danger' due to damage caused by climate change. The world's biggest coral reef system has suffered several bleaching events in the past five years, which caused widespread loss of coral. Scientists say the main reason is rising sea temperatures as a result of global warming, caused by the burning of fossil fuels. UNESCO has urged Australia to take further action on global warming.

Things to talk about at home...

- 🍎 What do you know about the Great Barrier Reef? Would you like to visit?
- 🍎 Are there any World Heritage Sites near to where you live?
- 🍎 What places are special to you? What makes them special?

Please note any interesting thoughts or comments here...
