Dear Parents and Carers

It has been an incredibly busy week in school - particularly for our Year 6 children. We have been very proud of the way they have approached their SATs and the effort they have put in when sitting the papers. A big thank you to Mrs May, Mr Dixon, Miss Ball and Mrs Wherry for all that they have done to prepare and support the children for their SATs. We are also very grateful to the wider school team who have also worked alongside the Y6 team to look after the children this week and provide additional help where needed.

A massive shout out of thanks must also go to Claire, Johnny and Lauren (our amazing kitchen team) for helping the children start the day off well with a breakfast sandwich. Delicious!

As we are approaching half term, I wanted to share some more information with you regarding the Leadership Team and who will be available to support our families whilst Mr Pollard is continuing to transition across to his new role. I will continue to be in school for 4 days a week, alongside Mrs Gynn. Mrs Leah May is going to be supporting the Leadership team for 3 days a week (Monday/Tuesday and Fridays) and Miss Clemes will continue to be available on a Friday but will be back in class for the rest of the week.

And finally, a reminder that our Summer Fair takes place tomorrow afternoon and we hope to see as many of you there as possible. The choir will be opening the event for us and there will be many of the old favourite stalls available like the jam jar stall, raffle and cakes!

Best wishes

Amanda

TAKEHOME

Can donating something important be a powerful way to show you care?

In the news this week

A vehicle once used by Pope Francis to wave and greet people—called a popemobile—is being turned into a mobile health clinic for children in Gaza. Pope Francis, who recently passed away, was the head of the Catholic Church and often spoke about helping others. One of his final wishes was to help children affected by the conflict in Gaza. The vehicle will be refitted with medical equipment, as found in ambulances, so it can be used to aid children in areas where hospitals may be hard to reach. The project aims to deliver essential medical care to those who need it.

Things to talk about at home ...

- > What is your opinion of Pope Francis' decision to donate the popemobile? Why do you believe he decided to do this? Ask someone at home about their thoughts.
- > Have you ever donated something? Could it be harder to donate something that's important to you?
- > Can you think of examples of different times when people might donate items to help others?
