Dear Parents/carers

Thank you for all your support with our Remember, Remember to read in November campaign. We loved seeing so many of you at our Booknics. We now enter December and the Christmas season. Children have completed this term's assessments but there is still lots of learning planned as well as preparations for nativities and productions.

Thank you everyone who attended the Torchlight Parade last Friday. It was a real success and the refreshments organised by the Friends were very popular! Tomorrow (1-3 pm) is the Christmas Fair. We look forward to seeing many of you for some festive fun.

We realise that Christmas can also be a stressful time and we want the last couple of weeks of term to run smoothly. If you have questions or need support, please speak to the Office staff. Don't forget that this is a busy time for them, and they often go above and beyond their duties so please treat them with respect and patience.

Working together we hope everyone has a positive and fun end of term.

Best wishes

*Simon*

## In the news this week

This year, the BBC (British Broadcasting Corporation) marks 100 years of broadcasting. The first daily radio broadcasts began at 6pm, 14<sup>th</sup> November 1922. TV hadn't been invented then and it was another 14 years until the BBC started broadcasting regular programmes on television. Lord John Reith was the BBC's first boss and wanted broadcasting to be taken seriously. He said that the BBC should 'inform, educate, entertain' - in that order. Before children's television, there was a children's radio programme that began in 1922, soon after the BBC was set up. It was called Children's Hour and was on between 5 and 6 o'clock every afternoon.

### Things to talk about at home ...

- > What devices do you use to watch entertainment?
- > What do you like to watch?
- > Ask others at home, what do they watch now and what did they like to watch when they were younger?

We are a collection point for Cornwall Christmas Box. They are struggling this for donations whilst demand is high.
