Dear Parents / Carers

Tomorrow is the Summer Fayre. Thank you for the support you have given by sending in donations during the non-uniform days.

With a lack of funding by the government, at this time the money raised at the Summer Fayre, and other events organised by the Friends of Carclaze, is so important in helping us to buy essential day to day resources.

The Friends have already put in a lot of effort behind the scenes to make tomorrow a success. There are games, stalls and entertainment, The weather is looking great so all that is needed is for everyone to come along and show their support.

We are looking forward to the fun from 1 - 3 pm tomorrow.

This week we were lucky to be involved in a number of free events. Year 5 took part in an event at St Austell Fire Station, Year 6 went to the farm and all of Key Stage 2 had a virtual author visit.

Next week Year 6 children will either be in London or involved in activities at school. Years 3 and 4 also have upcoming events to look out for.

Also, don't forget we are only 4 weeks away from the St Austell Festival of Children's literature. On the 17th June there will be 16 author events with tickets just £1 each. Scan the QR code below to book.

Best wishes

Simon

1. Eloise Allen
2. Marshall Merton
3. Danny Taylor

A big well done to the year 4 children as they have been logging in lots this week!

In the news this week

30 years ago, on 30th April 1993, Swiss science company CERN opened up the World Wide Web to the world, free-of-charge. The 'collaborative information system' was being used by the scientists at CERN (the European Organisation for Nuclear Research) to communicate, without delay, across countries and continents but deciding that there could be wider uses for the tool, they made it available for everyone.

Things to talk about at home ...

- > How often do you access websites online? Are there any particular sites that are your favourites? What about others in your home?
- > Talk to someone older, who can remember a time before people had access to the World Wide Web. Ask them how things were different.
