**Head Teacher:** Mr Simon Pollard

Dear Parent / Carers

We are now half way through the first half term of the year.

The children have settled in to the routines and are working hard. We have already had a visit from our Patron of Reading, Ross Montgomery. I always think months and terms in school go quickly as we are always planning and preparing for the next block of learning and the next block of work.

Every moment is precious and we must remember to spend time in the present. Enjoy the world around us and the changing seasons. Take time to make memories and to remember what we are learning.

Talking about learning really helps it to stick in the memory. We always share what the children are learning on the website so rather than ask "What did you do in school today?" Ask more focused questions like "What did you learn about World War 2 (Year 6)?" or "Tell me about the Owl Babies (EYFS)?"

Best wishes

Simon Pollard

# Carclaze Community Primary School

## Foundation Stage Open Days!

# Tour and Explore!

We know how important choosing the right school is for you, your child and their education. Carclaze Community Primary School would like to invite you to our 'tour and explore' sessions where you will be able to explore our Foundation Stage unit, meet our lovely team and, if you book a session within the day, see learning through play happening all around you. Our leadership team will also be on hand to answer any questions you may have about the admissions process and your child's first days with us at Carclaze.

Please call [01726 74194](tel:0172674194) to book a space for a Tour and Explore session. These tours will take place in small groups with limited numbers so please book early to avoid disappointment.

We look forward to meeting you all soon!

**Should disposable  
face masks be  
banned?**

It is estimated that people in Britain are sending over 1.6 billion non-biodegradable face masks to landfill every single month, according to research conducted by shopping comparison site, finder.com. To reduce this, a new scheme has been introduced in Brighton and Hove to recycle face masks and other personal protective equipment (PPE). Special bins have been installed to reduce the amount of PPE litter, which is used to make more bins and other plastic items.

Things to talk about at home...

- Which face masks have you seen people using?
- Would you know where to recycle disposable face masks? Is there anywhere in your local area?
- Overall, do you think cloth masks or disposable (if recycled) masks are better to use?

**Autumn Term Clubs** - will run until Friday 10 December 2021. They will be available to book on Parent Pay over the next few days. Spaces will be limited so if you cannot see the Club on Parent Pay it will be due to it being full this time around. We cannot reimburse payments so please make sure your child is happy to attend a club before you pay and book. Please be aware that due to the weather and staffing - clubs may be cancelled at short notice (you will receive a text notifying you of this).

**All Clubs will be charged at £1.00 for the full term.**

Foundation Stage children were thrilled that Ross Montgomery visited them today.

The children enjoyed Ross' lively retelling of '10 Delicious Teachers'.

"It was so funny."

"I liked the monster that took the teacher in the sky."

"I liked it when the teacher told the monsters off."

The children were inspired to create their own monsters from their imagination after the session.
