Head Teacher: Mr Simon Pollard

Dear Parents/Carers

This week saw the release of the Key Stage 2 SATS results and needless to say we are so proud of the outcomes our Year 6 children have achieved. Despite all the disruption of the past 2 years the year group results are inline (or better) than the national averages from before Covid. Well done Year 6!

I also wish to take the opportunity to say thank you to the Friends for all their hard work with the Summer Fayre. They put on an amazing event which was extremely well attended. We were all blown away by the £2500 raised. As we continue to face tight budgets every penny raised will make a huge difference to the experience of children at Carclaze. THANK YOU!

As we near the end of the School Year look out for a school calendar and kay dates coming home next week.

And finally.....Tomorrow is the launch of the annual SUMMER READING CHALLENGE. Head to the library and sign up. Carclaze has topped the list of schools taking part for the last few years. It is free, there are books and gifts. What is not to love! More information later in this newsletter.

Best wishes

Simon

Super friendly and welcoming club. Rugby helps Players develop their physical fitness, social skills, team building skills, resilience and reduces stress. PLEASE CONTACT BECKY TAYLOR FOR MORE INFO rcrhot@hotmail.com 07557675949

In the news this week

Should wet wipes be banned?

An island of wet wipes has 'changed the course of the Thames' river in London. The island, thought to be around the size of two tennis courts, has prompted many campaigners to fight for them to be banned. Rebecca Pow, Under-Secretary at the Department for Environment, said that if members of the public need to use wet wipes, they should not flush them into the drains. Fleur Anderson, Labour MP, has warned that mounds of wet wipes and waste are changing the shape of rivers and polluting the water.

Things to talk about at home ...

- > Do you use wet wipes? Can you think of different examples of situations when they are often used?
- > Thinking about what people use wet wipes for, can you think of any alternative products that people could use?
- > Do you think that people know that you shouldn't flush wet wipes? If not, how do you think people could be made aware?

'Care Communicate Persevere Sparkle'

Chartwells in partnership with Cornwall Education Learning Trust

Chartwells in partnership with Cornwall Education Learning Trust Chartwells is the leading provider of contract catering and support services to the education sector in the UK.

Our team prides themselves on innovation and commitment to finding imaginative new ways to increase meal uptake and enhance student experience, making school food tasty and appealing.

There's also a great deal of importance placed on the vital role we play in educating young people on good nutrition and healthy lifestyles and additional education programmes.

From brand new reception children to those on the cusp of adulthood, Chartwells is focused on sharing in each child's educational journey. We currently work with over 2,300 education units including primary schools, secondary schools, academy schools, independent schools, colleges and universities and produce and deliver approximately 975,000 meals each week, 38 million meals annually.

From the 1 September Cornwall Education Learning Trust have made the decision to provide ALL Key stage 1 pupils with a school lunch. In line with Government funding this meal is free of charge and will not be at a cost to you.

There are a range of options available for pupils including a meat or vegetarian main or alternative dishes of jacket potatoes with assorted fillings or tomato pasta.

In addition, we can also cater for medical diets. A request form can be obtained from the school and then once completed along with medical evidence being provided an Area Manager will be in touch with you to confirm a medical menu.

If you have any further queries, please do not hesitate to contact your school.

THE FRIENDS OF CARCLAZE

We would like to say a huge thank you to everyone who supported us in any way at the Summer Fayre, whether it was by helping set up in the morning, running a stall, attended or helped clear up afterwards.

We raised a whopping £2,500 which is absolutely amazing. Thank you to each and every one of you.

After the huge success of the fayre we are now looking towards September and our AGM. Our AGM will take place on Wednesday 28th September at 7 for 7.30pm. It would be lovely to see as many parents/carers there as possible as the School are going to need extra support next year as school funding is low. Please don't worry that you will be pressured into doing something that you are not comfortable with, just come along to meet other parents/carers and staff in an informal setting.

The AGM will be a wine and cheese evening so come along and meet us.
