

Dear Parents/Carers,

19 November 2021

**London Trip 2022 Update**

**Meeting in school: 2 December 2:30pm**

**Dates of trip: 23 to 27 May 2022**

Plans for London are now finally able to get underway, after the reopening of our planned accommodation. Apologies for the delay, but we were unable to confirm until these people returned to work. We are delighted to be able to offer this hugely popular and successful residential, with all of the experiences it offers the children, again this year.

We are now in the process of making provisional bookings for all other attractions. We will confirm each of these bookings when we know the exact number of children who will be attending. I will be able to confirm and share the planned itinerary at the meeting on the 2<sup>nd</sup> December and by letter at this time. The meeting will give you information about the trip and allow you to ask any questions you may have.

**Here is an example itinerary showing the events we plan to book (the order and times are likely to vary as they do year on year):**

**Payment:**

The full cost of the trip, with all transport, accommodation and attractions will be **£350**.

We know that now is not a good time of year to be asking for money, so we will be asking for a very minimal deposit initially, just to allow us to begin paying deposits to venues and to get a firm idea of numbers attending.

To confirm your child's wish to attend, could we please request a **deposit of £35 be paid on ParentPay by 10<sup>th</sup> December 2021**. If you have concerns about the payment for the trip, please speak to your child's class teacher or the office and we will discuss options for a payment schedule.

**Planned payment dates:** By: 10 December £35, by 1 February £100, by 1 March £100, by 2 May £115. This with then total the £350 required for the trip. You are more than welcome to pay in larger chunks if you prefer.

Many thanks for your continued support,  
 Mr. Dingle and Mrs. Pezzarini
