---

Dear Parents/Carers,

## **Swimming Lessons – Carclaze School 2022**

Welcome back to the 2022 School Year – Please find below important information on School Swimming Lessons. As in previous years we will do an intensive week of swimming for each class. This will consist of 5 x 1 hour swim lessons, every day for a week. The children are transported by a privately hired coach supplied by Roselyn Coaches so you will not need to make any arrangements outside of the school day.

**Swimming is considered to be an essential skill and is a part of the National Curriculum. The sessions are taken by qualified teachers from our school. In addition, the pool management provides a lifeguard who is in constant attendance and two swimming coaches. School swimming lessons work out cheaper than private lessons.**

The school has to pay a charge for the hire of the pool and for the transport provided. These costs have risen over the years and as a school we need support in covering the costs. In order to help meet our transport and pool hire/sports coach costs it is necessary, as in previous years, to ask for payment.

The cost for this year is **£30.00** for the full 5 hour/week of intensive swim lessons. It is extremely important that all children attend swimming sessions during the term and I do hope that you are able to support and encourage your child. Please see your child's Parent Pay Account to make payment.

Each child will need to bring a towel and underwear to change into after swimming. Children should come into school in their Carclaze PE kit with swimwear underneath for the full week. Please ensure that all clothing is marked with your child's name. In line with National PE guidelines, swimwear should be suitable for purpose, we ask that girls wear a full body swimsuit and boys swimming trunks. If your child requires goggles they must be able to put them on themselves. Staff and Swim Instructors are not permitted to assist.

I am sure that your child will enjoy their swimming lessons and we welcome and appreciate your support. Please do not hesitate to contact me if you have any queries or concerns.

Yours sincerely,

*Simon Pollard*

**Mr Simon Pollard**

**Please see overleaf for this year's swimming timetable:**
