Dear Parents and Carers

As we head towards the Easter Holidays, we have had several deliveries this week that remind me of how much reading for pleasure is embedded in our school.

We have been asked to be one of the judging schools for the Spark Book Awards so have been sent some fantastic books that we will be sharing with the children and asking them to choose their favourites.

We have also received our Spring 2 newsletter from Reading Rocks. This is packed full of recommendations for amazing books. We've got copies to add to the school library and you can order your own at a discounted price by scanning the QR code in the newsletter which everyone has received electronically.

Rounding off the celebration of reading theme for this term we have two free author visits next Tuesday.

Year 1 and 2 have a virtual visit from the very funny Clare Helen Welsh and illustrator Jenny Lovelie.

Then in the afternoon Chrissie Sains author of the hilarious, Alien in the Jam Factory series will be visiting Year 3 and 4. Fliers to order signed books at a discounted price have gone home to Year 2 upwards.

Finally, some reminders:

Clocks go forward by one hour on Sunday morning as British Summer Time begins.

We have an early finish next Friday (31st) KS1 at 1 p.m. and KS2 at 1.10 p.m.

## TAKEHOME

## In the news this week

Schools in parts of Turkey and Syria have been reopening in the weeks since the devastating earthquakes hit, many in the form of makeshift tents. Teachers in the affected areas are making certain children's education continues, despite the difficult circumstances. Many school buildings were affected in the earthquakes at the start of February, leading to all educational institutions nationwide being closed for over two weeks. Although many learning centres have since reopened, lessons have had to also continue in tent schools, set up by volunteers and authorities in the worst affected areas.

### Things to talk about at home ...

- Share your knowledge and understanding of last month's earthquakes in Turkey and Syria.
- Talk about how difficult it may have been for the affected communities there.
- Thinking about your own community, how do you work together – especially when things are hard?
