Head Teacher: Mr Simon Pollard

Dear Parents/Carers

As we head towards the end of term there seems to be more and more to fit in. You should have received a letter during the week giving details of upcoming events, including the cinema visit (kindly funded by the Friends) and a series of Booknics (picnics with books!).

The children will meet their new teachers next Thursday afternoon. We have had to make a few changes to the previously published list as, sadly, Mrs Longley has made the decision to leave at the end of this term. We would like to thank her for her contribution to Carclaze.

Don't forget it is now possible to sign up for the Summer Reading Challenge. It would be fantastic if Carclaze has the most entries in St Austell. More information can be found in this newsletter.

Some parents have asked if they can donate gifts at the end of the year. Have you seen our book wish list? The link is on our website.

I'm also excited to announce that from September we will have our first Patron of Reading. During the school year we will work very closely with the fantastic author, Ross Montgomery, to continue to embed reading for pleasure at the heart of our school. Watch out for more information, including competitions.

Best wishes

Simon Pollard

I am currently reading.....

Euro 2020 Final

We know many children want to stay up to watch England in their first major championship final for 55 years on Sunday.

Therefore we will have a relaxed start on Monday and as long as children arrive by 10.30 they won't be marked late. Staff will be in as usual have to cover childcare etc but proper lessons won't start until 10.30 Children will have activities to do.. Whatever the result there will be lots of tired people.

Year 6 will have to come in in order to go on their beach trip. They will have time to relax, if necessary on the day.

Let's hope football does come home!

What's going on this week?

12th-18th July

Are we all reflected in the books we read?

New research has shown that fewer than 1% of authors that feature in exam texts in English secondary schools are from an ethnic minority background. The publisher, Penguin and the Runnymede Trust, analysed data from exam boards relating to more than half a million pupils in England. Other research conducted by BookTrust Research and CLPE last year, showed that the number of children's books published in the UK between 2017 and 2019 featuring characters from an ethnic minority background was 10%.

Things to talk about at home...

- Who is your favourite book character? Why are they your favourite character?
- Do you have a favourite author? If you do, what do you know about the author?
- Can you think of a book with a character who is like you? In what way are you similar?

Friends of Carclaze

WELCOME

Welcome to the Friends of Carclaze page. We are a group of parents and staff who do all we can to fundraise for the School. In the past we have bought a new stage, outside play equipment, funded a cinema trip for the whole school and much much more.

If you would like to know more about what we do and how you can help, please see Alisa Shopland in the office or email friendsofcarclazeschool@outlook.com for more information. We are always looking for new parents with new ideas to help us.

Due to the current pandemic, the Friends have been unable to do the normal big fundraising events such as the Christmas and Summer fayres, which the children all enjoy. They are instead doing lots of little events such as the two shown below. Please do your best to support these smaller events to help the School in these unprecedented times. Thank you.

CINEMA TRIP

We are funding a whole school cinema trip in place of the one that had to be postponed in December 2020. This will be a nice treat for the children after what has been another difficult year. Please see below the dates your child will be going. Children will leave school promptly after registration, so please make sure your child is in school on time on their respective day. No snacks are to be taken but children can take a bottle of water.

NEEDED - ACCOUNTANT

The Friends are looking at ways they can save money and as there is no legal requirement to have the accounts and records formally independently examined, the committee are looking for an independent person to examine the records on their behalf. We are looking for a volunteer with suitable finance skills to carry out this brief examination. Please let the office know if you would be interested in helping with this.

Crossing the Road

Our school crossing patrol lady made us aware of an incident last week where a very young child ran across the road at the traffic lights at Carclaze.

The driver was shaken and could do absolutely nothing about it, luckily the child escaped without injury but please help your children understand the dangers of crossing the road without looking or listening.

The crossing patrol lady is only a few metres away, please use this service as much as possible. Thank you.
