

Dear Parents and Carers,

As we reach the end of what has been an incredibly busy yet rewarding half term, I wanted to take a moment to reflect on the many achievements and memorable experiences our school community has shared together.

Despite this being a shorter half term, we have managed to pack in an extraordinary amount of activity and learning. Our Year 6 pupils have shown tremendous resilience and determination throughout their SATs assessments, demonstrating not only their academic progress but also the maturity and confidence they have developed during their time at Carclaze. I am immensely proud of how they approached these important tests with such a positive attitude.

The Year 4 residential camp was undoubtedly another highlight of the term. Watching our young people step outside their comfort zones, build new friendships, and develop independence away from home has been truly inspiring. The memories created during this experience will stay with them for years to come, and I know many parents will have heard exciting stories of adventure and personal growth.

Our annual May Fair was once again a wonderful celebration of our school community. The sun shone brightly as families, staff, and friends came together to enjoy the festivities. From the creative stalls to the delicious refreshments, every element reflected the spirit of collaboration and joy that makes Carclaze such a special place. Thank you to everyone who contributed to making this event such a success.

As many of you know, I am preparing to transition into my new role as Primary Director of Education. While this represents an exciting new chapter, I want to assure you that the excellent standards and warm community spirit that define Carclaze will continue to flourish. During this period of change, I am particularly grateful to our outstanding leadership team who have stepped up to take on additional responsibilities. Their dedication to supporting our pupils, parents, and staff has been exemplary, and their commitment ensures that our school continues to provide the high-quality education and care your children deserve.

Looking ahead to the summer term, we have many more exciting opportunities planned for our pupils. I encourage you to take time over the half term break to rest, recharge, and enjoy precious moments with your families.

Thank you for your continued support and partnership. Together, we make Carclaze the thriving learning community it is today. With warm regards,

Simon

Simon Pollard

Director of Primary Education

Cornwall Education Learning Trust (CELT)

Summer Term Diary Dates:

Monday 26 May to Friday 30 May - HALF TERM

Thursday 29 May - Go Active Holiday Club at Carclaze. Visit website for more information and booking.

Perranporth Certificate Winner - E.Kellow for always sparkling. You are always kind and helpful to your classmates.

TAKEHOME

What are some special or meaningful ways to remember someone?

In the news this week

The UK government has launched an online exhibition, to show five different designs for a new national memorial for Queen Elizabeth II. The memorial is planned for St James's Park in London, England, and will be made to remember and celebrate the late Queen's 70-year reign. People can look at all five designs online, and the government is inviting the public to share their thoughts via an online form. One design will be chosen in early summer 2025 to become the final memorial.

Things to talk about at home ...

- > Share your thoughts about the idea behind the memorial. Do you believe this is a good way to remember Queen Elizabeth II?
- > Talk to someone at home about what you feel the memorial should include and why.
- > Are there any memorials close to where you live? Do you know who they are for and why they were made?
- > Can you think of any other ways we can remember loved ones?

PICNIC PARTY

SANDWICHES

Ham
Tuna
Cream Cheese and Cucumber

SIDES

Mini Quorn Sausage Roll
Potato Wedges and Crudités

DESSERT

Scone with Jam or
