Welcome and updates

Dear Parents and Carers,

As we are approaching the time of year when we invite parents into school to celebrate and share in **Sports Day** with their children, we thought that we would take the opportunity to remind all parents and visitors of school policies and procedures surrounding the taking of photographs and videos in school.

Generally, it must be noted that:

- Under normal circumstances, **there should be no reason for a parent or visitor to take images/videos on site.**

- If photographic/video equipment is seen in use, it will almost certainly be challenged and content requested to be deleted. There are however, special circumstances that may arise where it is felt that parents may take photos of their own children at events (e.g. special assemblies, end of project events or **sports days**). If these events are deemed acceptable, there will be clear verbal communication at the start of an event, which will also be supported by additional signage making it clear what limitations to the rule exist

- Under these circumstances, it will be made explicitly clear that:

Images/videos must only be taken if the individual child of the parent who is taking the image can be identified. This means that if other children are in the picture/video view then the photo/video must not be taken (as other parents have the right to expect their child's image to be protected).

Parents who do not follow the advice above may be asked by parents and/or the school to delete associated images - which they must do as quickly as possible from all media/social platforms. Failure to do so may place them in breach of school policy and in some cases; leave them open to legal challenge.

Carclaze Community Primary School
Use of Photographs and Videos by Visitors and
Parents

It has been deemed acceptable that photographs and videos of Sports Day can be taken.

LIMITATIONS TO THE TAKING OF
PHOTOGRAPHS AND VIDEOS

Pictures may be taken at Sports Day but only of your own child - any pictures taken must not include any other children. Failure to comply with this rule may result in parents and carers being asked to leave the event

Parents who do not follow the advice above may be asked by parents and/or the school to delete associated images - which they must do as quickly as possible from all media/social platforms. Failure to do so may place them in breach of school policy and in some cases; leave them open to legal challenge.

Donations - Mrs Wood has now completed her Trauma Informed Schools Diploma and is looking for your help with some resources. If anyone has, at home, any of the following we would welcome your support -

- ◆ Liquid Timers
- ◆ Lava Lamps
- ◆ Plastic Figures/Toys
- ◆ Lego
- ◆ Blankets
- ◆ Pop Up Tents

Many Thanks

WHAT TOLERANCE MEANS...

- Tolerance means to accept differences.
- Tolerance means showing respect for the
 - Race
 - Religion
 - Age
 - Gender
 - Opinions

of other people or groups.

TOLERANCE POEM.

We are all born
In a different way
How we look
And what we say.

From different countries
Around the world
Of different genders:
Boys and girls.

Of many sizes
And colours too,
The things we like
And the things we do.

If everyone
Were the same you see
You wouldn't be you,
And I wouldn't be me!

TOLERANCE - Celebration - Maths

Our focus value for the month of May is
Tolerance

Certificates will be presented in assembly each week (Fridays at 2.30pm). We aim to call parents the night before to invite you in if your child is receiving a certificate.

DOGS

Please be reminded that dogs, including puppies, are not allowed on the school premises. Some of our children are afraid of even the smallest, cutest dog.

If you need to walk your dog then please leave it at the Agar Road or main entrance gate or by the bars leading down from the old infant school.

Health and Safety:

Please can we remind parents to keep a close eye on their children after and before school. We have had reports of children climbing on the reading den roof and on various walls around the school grounds. Can we also request that you ask your children not to run across flower beds and borders as staff and children have been working hard planting seeds and flowers.

Many Thanks

Autism Awareness Day - thank you to everyone who donated - we raised £195.70 - Many Thanks for wearing your rainbow colours.
