Welcome and updates

Dear Parents and Carers,

This half term has flown by, it was a shorter one due to the late Easter. We have crammed in lots of learning, Years 2 and 6 have taken their SATS and Year 3 had a fantastic camp this week.

Next term is longer, 8 weeks, and there is lots planned including, Year 6 and Year 4 have their camps and Year 2 have a sleepover to look forward to. The Phonics check for Year 1 takes place during the week beginning 10<sup>th</sup> June.

There will also be Sports' Day (19<sup>th</sup> June), transition days, reports and lots more.

I hope you all have an enjoyable half term

Kind Regards

Simon Pollard  
Head Teacher

**11th July 2019**

**Kernow King School Workshops**

Years 3, 4, 5 and 6 All taking part

**£1.00 Voluntary Contribution via Parent Pay**

“The workshops helped to boost the confidence of students and watching some of them transform was a real privilege. One student started the session by whispering his name and trying to avoid eye contact and, at the end of the two hours, he gave a stellar performance in front of the group.”

**Cake Sale**

**Fundraiser After School - In Aid of Mount Edgecumbe Hospice**

**Please come along to the front of the school at 3pm to purchase a bun!**

**12th July 2019 at 3.00pm**

**Trauma Informed Schools**

Carclaze School believes in providing every child with the opportunity to experience an outstanding education; academically, emotionally and socially. We believe by rigorously identifying the barriers to learning, providing an inspiring and relevant curriculum that considers the whole child and providing the necessary support for children to achieve and develop, all children will reach their true potential.

We are committed to ensuring that our school develops a Trauma and Mental Health Informed Approach to ensure that all our children develop positive mental health and resilience, enabling them to fully engage in life and learning. There is a growing body of research and understanding of the impact of Childhood Adversity on long term mental and physical health and the protective factors that mitigate the potential impact. It is our aim to maximise the protective factors of school by creating an environment of safety that has strong, positive and supportive relationships at its heart.

Children are identified for additional support by a number of methods. We universally screen the emotional and social development of our children using Motional once a term (see our privacy notice for further information about Motional). This assesses key executive functions and skills, emotional literacy and self-regulation. Children do not always present through their outward behaviour when life is becoming difficult for them, our universal screening program ensures that no child is missed.

Our aim is to support children to make sense of their experience, find ways to manage their emotions and feelings and ensure that they maintain the capacity to learn, despite difficult events that may happen for them.

We believe that our parents know their children best and we are committed to working in partnership to identify the best ways of providing support for your child within school. We aim to develop positive, non-judgemental working alliances with all our parents.

Many Thanks - Mr Simon Pollard (Head Teacher)

## ASPIRATION - Celebration - Maths

Our focus value for the month of May is  
Aspiration

*An aspiration is a goal or a dream*

*How can we demonstrate our aspirations in school?*

*Strive to be the best that you can*

*Individual success (academic, social/behaviour and sports)*

*'Just have a go'*

*Be individual*

*Be a good role model*

*Have a growth mind set*

*Know what you want to achieve in the future*

Certificates will be presented in assembly each week (Fridays at 2.30pm). We aim to call parents the night before to invite you in if your child is receiving a certificate.

## **DOGS**

Please be reminded that dogs, including puppies, are not allowed on the school premises. Some of our children are afraid of even the smallest, cutest dog.

If you need to walk your dog then please leave it at the Agar Road or main entrance or by the bars leading down from the old infant school.

## **Health and Safety:**

Please can we remind parents to keep a close eye on their children after and before school. We have had reports of children climbing on the reading den roof and on various walls around the school grounds. Can we also request that you ask your children not to run across flower beds and borders as staff and children have been working hard planting seeds and flowers.

Many Thanks

**Autism Awareness Day - thank you to everyone who donated - we raised £195.70 - Many Thanks for wearing your rainbow colours.**
