Dear Parents / Carers

This week Years 1,2, 5 and 6 went to the cinema as part of the INTO FILM visit. This is a free festival which was also supported by the Friends of Carclaze who paid for the transport Years 1 and 2 needed.

Thank you for supporting the Friends by sending in jam jars for the Christmas Fair. Next week's non-uniform day is Wednesday 22nd. Please send in a bottle for the tombola. The Christmas Fair is on Saturday 25th December.

Sometimes parents notice behaviours in the car park that are not right. Thank you to the parents who told us what they saw this morning that was upsetting. This allowed us to record it and follow it up appropriately. It isn't always easy to speak up but it does make a difference.

We are a community and supporting each other will help us to be stronger.

Kind regards

Simon

How can we show compassion to others?

In the news this week

Community centres, libraries, businesses, and churches across the UK have been set up as free warm spaces to help provide warmth and companionship during the winter months. With cold weather continuing, charities and campaign groups are concerned that households face higher energy bills than last year. More than 12,000 warm banks were used by millions of Britons last winter in response to rising energy prices that worsened the UK's cost of living crisis. The scheme was set up by local councils, charities, and partner organisations.

Things to talk about at home ...

- > As well as warmth, what other benefits do you think warm spaces will provide for communities?
- > Can you think of any other ways that we can support each other during difficult times?
