Dear Parents and Carers

Why does everyone get confused what day it is following a Bank holiday?

Next week we need to be extra careful remembering the days as it is the first Year 6 SATS week for 3 years. We are really proud of how far these children have come and how they have continued to apply themselves through the last years despite Covid interrupting their normal schooling.

As we are now in the Summer Term, don't forget to put sunscreen on before school. Also, any sunscreen sent in should be labelled with your child's name. Hats and water bottles are also suggested. We would prefer children do not wear sunglasses unless they are prescription. This is because they are more easily lost, damaged and can cause injuries if a child is hit by a ball on the playground.

I hope everyone has a relaxing weekend

Friends of Carclaze

We are now busy organising our Summer Fayre which will be held on Saturday 25th June. We are looking for donations for raffle prizes (any unwanted gifts or if any parents own businesses and could possibly donate a voucher or product that would be amazing!), cakes for the cake stall (nearer the time), toys for the toy stall etc. We will be holding 3 non uniform days nearer the time for donations of Jam Jars (filled with goodies or wrapped sweets), bottles for the bottle tombola and 50p donation for other items for the fair. Please look out for more information in future newsletters and on the Friends Facebook page.

Our next meeting will be held on Tuesday 10th May at 7.30pm to pack the raffle tickets.

If you would like to help at the fayre, please come along to the meeting to find out more about how you can help.

PARENTPAY SCHOOL LUNCH MENU

Due to trade issues with Brexit and also the war in Ukraine, our catering company (Chartwells) is struggling to source certain items on our menu. On Week 2 there will be no Battered Fish, instead it will be Southern Fried Chicken Tasters. There may also be some other slight changes. Therefore, if your child mentions that they have not had certain items with their lunch on a particular day, this will be the reason for it. Chartwells and our kitchen team are doing all they can to fulfil demand and get the supplies they need. In the meantime, please bear this in mind as the changes will not appear on ParentPay. Thank you.

Healthy Eating

Part of our PSHE curriculum is to teach the children about making healthy choices. Please can you support us by thinking about what they bring in their packed lunch boxes. Ideally this should be balanced with a sandwich or wrap or pasta pot (something savoury), some fruit, maybe some crisps and one cake, biscuit or bar. Some lunch boxes we are seeing have 4 or 5 bars of chocolate in.

Don't forget all children in Foundation Stage, Year 1 and Year 2 are entitled to Universal Infant Free School meals and there are some very lovely and popular meals available!

School Car Park

Please drive carefully in the School Car Park. Even early in the morning and after Busy Bees - there are still children around so please watch your speed.

Where possible - please walk on the paths and walkways provided and try not to cut through the staff car park. We are trying to keep our children and parents safe.

Reverse Park if possible as this makes driving out easier and safer.

DO NOT PARK in Taxi Bays - these are used by Taxi Drivers that need to come in and collect children at the start and end of the school day. Taxis often arrive a little later to allow the car park to be quieter. These are regular bookings made through County for children travelling home.

Thank you for your continued support.

In the news this week

Danielle Webb, who is 23 and lives with dwarfism, recently wrote a book and regularly visits schools to help educate others about her condition in a bid to stamp out prejudice. Danielle said that changing the minds of adults was difficult, so her focus was on educating children. The student, who is 3ft 11.5in (1.2m), said being called names and laughed at "just becomes our norm"; so her new book, 'Mummy, there's a new girl', tells the story of a girl who is picked on for her looks before a brave child looks past her differences and learns that size is no big deal.

Things to talk about at home ...

- Why do you think Danielle decided to write the book? How do you think Danielle's book might help people to understand differences?
- Discuss the phrase 'never judge a book by its cover'. What do you think this means and do you agree?
