

Dear Parents / Carers

We have ended the week with some fantastic opportunities for children in Key Stage 2. Year 6 visited Penrice for a Modern Foreign Languages day and Years 3,4 and 5 worked with our Patron of Reading, Coral Rumble, to share and create poems of their own.

Next week we are running an attendance raffle to see if we can finish the half term on a high. Every child who has 100% of their expected attendance Monday - Thursday morning will be entered in a raffle with the chance to win an Easter Egg.

Earlier on in the term Marie Curie donated lots of daffodil bulbs for us to plant. On Wednesday we are asking everyone to wear yellow and make a donation via parentpay for Marie Curie.

Don't forget that we finish early on Thursday 28<sup>th</sup> March.

1.05 p.m. For FS/KS1

1.15 p.m. for KS2

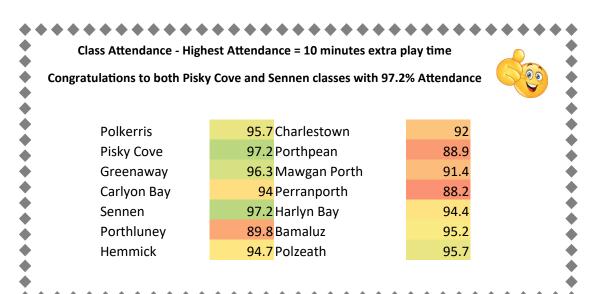

Best wishes

Simon

Attend for 100 % of the final week of term to be in with a chance of winning a Chocolate Easter Egg!

Prizes will be given out on Thursday 28 March 2024.

to have 96% or above attendance

90% is not good!

## In the news this week

Poverty-fighting charity, Oxfam, recently released a new report on inequality and global corporate power. It found that the world's five richest people have more than doubled their fortunes from a combined total of £321 billion to £688 billion since 2020. The wealth of the poorest 60% (nearly five billion people) has fallen. If this trend continues, the world will have its first trillionaire within 10 years, whilst poverty may not be eradicated for another nearly 230 years.

#### Things to talk about at home ...

- Share your thoughts on this week's story. Are you surprised to learn that there will likely be a trillionaire within ten years?
- Can you name any billionaires? Do you know how they acquired their money?
- Do you think more should be done e.g., by governments, to reduce the gap between the world's richest and poorest people?
