### Dear Parents and Carers

As a school and education profession we understand the importance of providing the best teaching and learning for our children. Ensuring that every child has the best experience is why teachers are taking industrial action.

In real terms, the reduction in funding to schools over the past 10 years means it is increasingly hard to provide the same resources, to recruit and retain staff and to make sure every child gets a good education every day.

Everyone at Carclaze goes above and beyond their role for our children and will continue to do so. Unfortunately, whilst the funding and pay dispute continues it looks like industrial action will continue and possibly escalate as more unions are balloting their members about strike action.

We realise that strike days will be an inconvenience but hope you understand the reasons for the disruption.

I don't want my message to you to be full of doom and gloom so I will end with two examples of how Carclaze are continuing to ensure our children get the best possible experiences.

**Coronation Celebration** - During the afternoon of 5<sup>th</sup> May, children will learn about the Coronation and take part in some fun art and craft activities. They have also been learning a special coronation song.

On Thursday 11<sup>th</sup> May there is a special coronation lunch - bookable on Parent Pay as a 'Special Menu' (see page 2).

**Summer Fayre** - This year the Summer Fayre is on Saturday 20<sup>th</sup> May. Look out for all the details from the Friends.

**St Austell Festival of Children's Literature** - Carclaze staff are the main driver behind this fantastic opportunity. There are 16 author and illustrator events happening in St Austell on 17<sup>th</sup> June. Tickets are only £1 and can be used to get £1 off at the festival bookshop.

Here is the link, it will be great to see everyone there.
