Head Teacher: Mr Simon Pollard

Dear Parents and Carers,

Welcome to a very different Summer Term.

Well done to everyone who has managed to begin accessing the task set via eSchools. If you have any difficulties with this please email us.

We don't want children to miss out on interactions with their teachers or class mates.

The learning protocols, including Frequently Asked Questions have been emailed to everyone. They are also available on the website and every classes eSchools homepage.

We will keep eSchools, the website, Facebook and Twitter as upto date as possible whilst we are not physically together in our school building.

Best wishes and keep in touch

Simon Pollard
Head Teacher

THE
READING
AGENCY

#ReadingHour
7-8pm
23 April

#ReadingHour
@WorldBookNight

worldbooknight.org

Everyone is invited to join in at 7pm on 23 April for the #ReadingHour! You can do anything you want related to books: read alone, read with or to someone, or even call a friend to chat about books and share recommendations.

1 in 3 people in England don't regularly read for pleasure, but we know the benefits that reading brings to our lives. We want to share this more people, encouraging everyone to set aside time in our busy lives to read more. Why should you read?

- 19% of readers say that reading stops them from feeling lonely
- Regular readers for pleasure have report fewer feelings of stress and depression than non-readers, and stronger feelings of relaxation from reading than from watching television or engaging with technology intensive activities
- Adults who read for just 30 minutes a week are 20% more likely to report greater life satisfaction

You can read a print book, e-book, or listen to an audiobook, and it doesn't matter what you read. Pick up the book that you've been meaning to read for years, or borrow a book from your Borrow Box (sign-up now if you're not already a member).

Residential Trips:

In accordance with Trust policy all planned residential trips for Summer 2020 will no longer be going ahead.

We are sorry about this but want to make sure everyone stays safe and well.

The central team are working on refunds. We appreciate your patience at this time.

Contact during exceptional circumstances: Safeguarding Concerns

It is important that all children, families and professionals are able to contact key staff to share information in respect of safeguarding and concerns. To add additional capacity during this time of school closure, CELT will create a bespoke email for the Primary and Secondary settings within our trust. The email for all concerns at Carclaze is:

primarysafeguarding@celtrust.org

This email address will provide an automated message response which states that the email will be monitored during office hours (Monday to Friday)

The email addresses will be monitored by the Chief Information Officer for the Trust, who will then forward emails to the appropriate safeguarding teams in schools/academies for action.

However, you should contact Social Care and Police if you believe a child or young person is at risk of imminent harm.
