Dear Parents/Carers

I have said it in this space many times, but it is always worth repeating, if we do one thing to give our children the best possible future it needs to be to support them in developing a love of reading.

In 2002 the OECD research concluded that:

"Reading for pleasure is the single most important indicator of a child's future success".

We need parent and carer support with this as children spend more time at home than in school. If you're not sure of how you can help there are two opportunities to get ideas, talk to staff, and read with children coming up before half term.

Monday 17th October - Foundation Stage parents are invited to a presentation on early reading, phonics and reading for pleasure. This will be in the hall at 2 pm.

Thursday 21st October - All parents are invited to have a coffee and listening to a 20-minute presentation before joining their children to read. This will start in the hall at 9 a.m.

We look forward to as many people joining us as possible.

Parent/Teacher meetings

During the first week after the half term break, we will hold telephone parent consultations. These will be bookable via eSchools, look out for the link.

Parents of children who have a SEND support plan will receive a letter inviting them to a meet the teacher and SENCO. If you do not receive a letter or cannot make the appointment, then please book a telephone consultation with your class teacher.

Finally, we will be holding an open afternoon for current parents to come and have a look at their children's work and visit the classrooms. This will be on Wednesday 24 November 2022.

THE FRIENDS OF CARCLAZE

A huge thank you to all who attended the Friends AGM on Wednesday evening. It is always lovely to see lots of new faces that can bring new ideas to the committee.

At the meeting we had to re-elect the new committee, and a few have decided to step down but still be involved where they are able.

Stepping down this year is Kerry Gray who has been Secretary for many years and an invaluable asset to the Friends. Kerry has worked tirelessly over the years, supporting the other committee members and overseeing all the social media activity. We know that she still intends to help wherever she can and we look forward to seeing her.

Also stepping down is Cathy Higginson who was Vice Treasurer. Cathy did an amazing amount of work with applying for, and getting various grants to help with our fundraising as well as her role as supporting the Treasurer. Thank you for your valued support.

Debbie Cockayne has been Vice Secretary for a couple of years and has helped enormously with begging letters for prizes etc. and helped at many of our events over the years. Again Debbie wishes to continue to help out as and when she can and we look forward to seeing her.

Our Charity Trustees have agreed to carry on in their roles, namely:
