Head Teacher: Mr Simon Pollard

Dear Parent / Carers

We had the privilege of being visited by author Ross Montgomery this week. The children had a fantastic time and were really inspired by the workshops. Ross is our Reading Patron and we will be working with him through the year. Watch out for more information.

This week the timetable for clubs was released. This is always a difficult time because although lots of staff offer clubs there are never enough spaces for everyone. We don't like children to be disappointed and are always looking for ways to run more clubs / open more spaces.

Mrs Teague and Mrs Wherry will be away from school for the next few weeks, recovering from operations. Mrs Lesley Ford will be covering Year 1 and Mrs Kathryn Willis will be covering Mrs Wherry.

Please can children respect the neighbours as you walk to and from school. We have had notification of children climbing over walls and breaking plants. Please also remind children to look when crossing the busy roads around school and in the car park.

Best wishes

Simon Pollard

School Lunch Menu

Please note that the current menu on ParentPay will be the menu going forward. A few parents have asked for the pasta option that was on the menu from Chartwells, and, although this is something Chartwells can do, we have never had more than 3 options because of food waste and time to prepare all the options.

Therefore, the menu on ParentPay will continue as it is. Please don't forget to book your child's school lunch before midnight on Sunday evening for the following week. Thank you.

at Home

20th September 2021

What's going on this week?

Following the trail of devastation left by Hurricane Ida across parts of North America, US President Biden declared that 'historic investment' is needed to deal with the impact of climate crisis. He has blamed climate change for what's happened and believes the country needs to be better prepared for extreme weather. Hurricane Ida tore across more than 1,500 miles of the USA and was one of the most well-forecast storms in recent memory, causing catastrophic flooding and destroying buildings in its wake.

Things to talk about at home...

- 🍎 How do you think the people affected by Hurricane Ida may be feeling?
- 🍎 When you go through difficult times, are you able to think of the positives?
- 🍎 Do you think more money should be provided to help tackle climate change?

Welcome to the Friends of Carclaze Page

Hello Autumn!

WELCOME

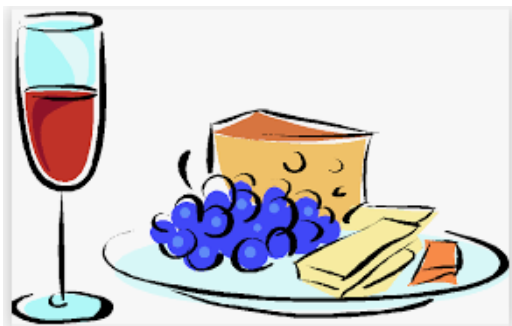

Welcome to the Friends of Carclaze page. We are a group of parents and staff who do all we can to fundraise for the School. In the past we have bought a new stage, outside play equipment, funded a cinema trip for the whole school and much much more.

If you would like to know more about what we do and how you can help, please see Alisa Shopland in the office or email friendsofcarclazeschool@outlook.com for more information. We are always looking for new parents with new ideas to help us.

Upcoming Events:

Our next event is our Annual General Meeting where we elect our committee for the current year. This will be a wine and cheese evening and is a good opportunity for parents to come along and meet the team and find out a little bit more of what we do to help support the school and our children. It doesn't matter how much or how little you would like to do, any help is very welcome.

This will be held on **Tuesday 21st September at 7pm at school.**
